

The tough glove for rough applications just got better...

WAVES™ TS

Touchscreen Friendly Gloves

Designed to endure the most rugged and physically challenging work environments, the Waves™ coating from Midas Safety features superior abrasion resistance that withstands and outlasts other similar coatings in applications that require repeated abrasive handling.

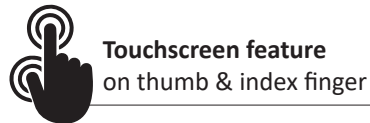

Now touchscreen friendly on thumb and index finger!

OTHER FEATURES

- Uncompromising durability due to superior abrasion resistance
- High resistance to wear and tear in heavy-duty applications like brick handling, machine handling etc.
- Excellent dry grip, good wet and oil grip
- Suitable for use with Dry Foods (in accordance with US FDA CFR 21, Suitable for Dry Food Handling)
- Available with palm coating
- Standard coating colors available: Black
- Sizes: S-XXXL

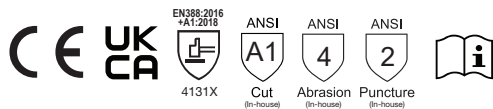

APPLICATIONS

- Automobile Assembly
- Janitorial
- Construction
- Warehousing

WAVES™ TS	EN388:2016 +A1:2018	ANSI CUT	TABER ABR.	ANSI PUNCTURE
