A6 GOAT LEATHER

With their **goat leather outer shell and cut & sewn para-aramid composite inner liner**, these gloves offer **360° cut resistance, abrasion resistance and good grip.**

Available in Standard and Oil Block.

WHY?

This is a traditional glove brought into the modern world. Developed for those who enjoy the classic leather safety gloves but want the additional cut protection and liquid penetration treatment that modern technology brings to the equation.

TRUE VALUE OF THIS GLOVE

- Cut and sewn inner liner gives cut protection beyond what a leather glove can achieve on its own

KEY MARKETS AND APPLICATIONS

- Manufacturing, Sheet Metal and Glass, General Purpose
